

Diffuse

Based upon a standard "Diffuser Pattern" this acoustic tile provides an effective vertical or horizontal pattern with depth and contour.

Striking but simple, this acoustic tile absorbs up to 85% or reverberate noise. Soft or bold colours show the character of this tile and enhance the décor of any room.

Tile Size: 500 x 500 x 55mm

Pack Size: 9 Tiles = 2.25sqm coverage
